

The President:

Having Seen: Articles 90 and 18 of the Constitution of the Republic of Somaliland;

Having Seen: Articles 68 and 75 of the Provincial and Local Government Act of Law No. 23/2007;

Having Seen: Proposals for the National Urban Standards Commission;

Considering: The responsibility and responsibility of the Government to protect the environment, beauty and sanitation of the cities of Somaliland;

Recognized: That the monitoring and response of sewerage, latrines and waste disposal and sanitary facilities such as trash and food facilities shall be the basis for promoting and maintaining sanitation;

Having Seen: The Impact of Plants, Livestock, Public Health and the Rise of Urban Cities in Somaliland;

Decides:

Prohibition of importing and trading of different types of Bags such as Plastic Bags, Container Bags, Corporate Bags and Stores in Commercial Advertising.

That the Municipalities, in compliance with the State and Local Government Regulations, monitor and supervise the Trade and Commerce Sites for the completion of 120 days, after which they shall endeavor to replace the Bags.

To ensure that the relevant Ministries through the Provincial Administration oversee local governments in maintaining and improving the environmental and public health standards.

To maintain public awareness of environmental sanitation.
